Re: Letter of Recommendation for Applied Countermeasures Group (ACG)

We have retained ACG as our security consultants at United Properties and we have had the pleasure of working directly with founders Dave Skinner & Troy Sotkowski on multiple projects. ACG consultants have performed security risk assessments at our offices in multiple locations. In addition, they have written our Emergency Action Plans and trained us on the proper responses for emergency situations. They also trained and prepared us for Super Bowl 2018 related events in Minneapolis due to our close proximity to U.S. Bank Stadium.

The quality of their work has been excellent! We highly recommend them for your security consulting needs. Their knowledge and experience in their field went beyond our expectations and we now feel very confident with the security measures that they helped us put in place to safeguard our employees, clients and properties.

Please feel free to reach out to me directly (ann.riemersma@uproperties.com) for additional feedback regarding the services they provided.

Sincerely,

Ann Riemersma
